

I Support S.B. 184 and H.B. 5262 regarding Absentee Voting

Hearing: FRIDAY, MARCH 4, 2022 – 10:00 AM

My name is Beverly Propen, I am a voter from Orange, Connecticut. It is extremely important to me to pass both S.B. 184 and H.B. 5262 because of the Covid 19 Pandemic. In recent elections, both my husband and myself (we are both seniors) have chosen to do absentee, write in ballots . Orange has made it very safe and convenient with ballots being able to be placed in secure drop boxes outside of town hall. My husband has underlying health conditions and we both felt very safe in participating in elections with the absentee, write in ballots. We have always voted in local, state and national elections and we would like to continue to be able to do so.

I believe voters should be able to vote this year by absentee ballot as COVID19 persists. Please continue the COVID19 safety measures for 2022 and allow everyone who fears exposure to COVID19 to vote by absentee ballot.

Thank you,

Beverly Propen,
